

ADVERTISE ON MATER-DOLOROSA.COM

Are you a realtor, financial advisor, lawyer, carpenter, electrician, etc.? Do you own your own small business or sell goods others may be interested in buying? Get your name out to the school and others in our parish community! Advertise your business or service on the Mater Dolorosa School website and help sponsor the School's Computer Program at the same time.

For an annual fee of \$25, parents, parishioners and family members can have their personal business cards posted on a new directory page on our web site called "The Parking Lot". An extra \$10.00, gives you a direct link to your website or e-mail address. Don't have a business card, that's okay! We can create a card space for you for just \$10.

If you, as an employee of a large business or corporation do not personally provide a personal service, and your corporation would be interested in becoming a sponsor of our web site, please contact Karen Godbout for space pricing at kgodbout@mater-dolorosa.com or by calling 532-2831.

All proceeds for advertisement on "The Parking Lot" will go directly to the School's Computer Program.
